

God Our Father,

We turn to you during these dark days and we ask you to be with us.

We ask your blessing on each one who is sick with this virus, bring them healing.

We pray for those who are working so hard and selflessly to care for the sick, give them courage, strength, and hope.

We remember all who have died from the virus, may they be at peace now.

We ask Mary the Mother of Mercy to watch over each of us, our families and friends, and we look forward to the day when we can once again share a handshake, a hug and a relaxed chat.

We ask this through Christ our Lord.

Amen
