Agreed Report - 13th June 2024

Prayer: The meeting opened with a prayer remembering exam students, those in our school community who may be unwell at present and offering thanks for all of the positives our school community had experienced over the past academic year.

Minutes: The minutes of the last ordinary meeting on 23rd April 2024 were approved. The minutes of the draft budget meeting on 30th May 2024 were approved.

Matters Arising There were no matters arising.

Correspondence: The Principal brought correspondence to the attention of the board.

Appointments 2024-2025: Interviews were held this week following shortlisting and the appointments were ratified by the BOM.

St Paul's Strategic Plan: The Principal shared results of stakeholder surveys with BOM members: responses were given by 142 parents, 32 staff members and 150 students from 1st, 2nd & 5th years. This data will inform our longer-term work on the Strategic Plan and short-term work in relation to this year's SSE report and School Improvement Plan. Brief discussion took place on the value of establishing patterns via such surveys and the need for further info to establish the possible different interpretations of questions. Follow-up focus groups will help with the latter.

AP1 and AP2 post-holders have submitted their annual reviews and their input is another valuable resource to inform priorities and planning.

Child Protection: The Principal presented the CPOR report.

The Principal's Report was presented

Board of Management members were thanked for their generosity with their time during the academic year.
